

Discovery BAJA CALIFORNIA

"Mar de Cortés"

1st day. Los Cabos.

Arrival in Los Cabos, an area located at the extreme tip of Baja California. It borders the two famous tourist destinations of Cabo San Lucas and San José del Cabo, connected by the Tourist Corridor. Los Cabos offers the opportunity to practice a wide variety of sports and excursions. It also hosts several golf courses among the most famous in Latin America. Arrival, car rental at the airport, and transfer to the hotel. Overnight stay.

2nd day. Los Cabos/La Paz.

In the morning, departure by rental car towards La Paz, the capital of Baja California Sur. Along the way, we suggest a stop in Todos Santos, a small village overlooking the Pacific Ocean, where mango groves alternate with date palms and where the long deserted beaches are the main attraction of the place. Todos Santos is famous for the presence of the Hotel California, the legendary hotel from the Eagles' song of the same name. Arrival in La Paz and check-in at the hotel. In the late afternoon, there is an opportunity to visit the capital city of Baja California Sur. Born on the largest bay of the Sea of Cortez, it owes its charm to the "malecón," the seaside promenade lined with palm trees and buildings in pastel shades. Overnight stay.

3rd day. La Paz.

Breakfast at the hotel. We suggest taking an excursion to Espíritu Santo Island, an hour by boat from La Paz, a true natural paradise with nine spectacular coves lined with some of the most beautiful white sand beaches in all of the Sea of Cortez. At Las Islotes, it is possible to admire a large colony of sea lions with which it will be possible to swim. Alternatively, you can visit Playa Balandra and Playa Tecolote, beautiful beaches with fine white sand lapped by the turquoise and crystal-clear waters of the Sea of Cortez. Overnight stay.

4th day. La Paz/Loreto.

Breakfast at the hotel. In the morning, departure for Loreto, along the way you will cross the Sierra de la Giganta. The natural scenery of this stretch of road is extremely evocative; a succession of panoramic views of the sea and deep canyons. Arrival in Loreto and check-in at the hotel. Overnight stay.

5th and 6th day. Loreto.

Breakfasts at the hotel. We suggest dedicating these two days to visit: to the north, Bahía Concepción where, nestled among the rocks and desert vegetation, you can admire the beautiful beaches of Santispac, Coyote, and Requesón. Continuing along the coast, you will reach Mulegé, a splendid oasis where you can visit the Museum and the Mission of Santa Rosalía de Mulegé. Another must-see visit is the boat trip to Isla Coronado, considered a natural paradise. An ideal place to connect with nature, it has been declared a protected marine park along with other nearby islands, of which it is still the most beautiful. We also suggest visiting the town of Loreto and, if time permits, the Mission of San Javier, located in the heart of the Sierra de la Giganta. Overnight stays.

7th day. Loreto/La Paz.

Breakfast at the hotel. In the morning, departure for La Paz. Arrival and hotel check-in. At this point, you will have already understood that La Paz is the ideal place to sip a drink while watching the comings and goings of sailboats and yachts in the bay and to enjoy some of the most beautiful sunsets on the peninsula. Overnight stay.

8th day. La Paz/Los Cabos.

Transfer by rental car to Los Cabos. We suggest taking the road that runs along the Sea of Cortez, perhaps making a stop in Los Barriles, a small village overlooking the Sea of Cortez, and Cabo Pulmo, a location famous for diving enthusiasts. Arrival in San José del Cabo and check-in at the hotel. Overnight stay.

9th day. Los Cabos/departure

Transfer with the rental car to the airport and return of the car. Departure on the scheduled flight.
